# Agenda

**7** | 13 **MAY** 2026

10:00

**Exhibition Opening**

10:30

**AI & ROBOTICS**  
THE LOOP

11:20 | 11:40

**FOOD - FLX HUB**

Integrated Feeding & Flow Wrapping for Bakery Products

12:00 | 12:20

**AI & ROBOTICS**  
THE LOOP

12:40 | 13:00

**FOOD - FLX HUB**

The new R-201 ND

Imagine Endless Possibilities.

New medium-speed flow wrapper  
for instant noodles

12:40 | 13:00

**MED-TECH**

Reinventing technologies  
for medical devices

From standard platforms  
to engineer-to-order systems

13:00 | 14:00 **LUNCH TIME**

14:20 | 14:40

**AI & ROBOTICS**  
THE LOOP

15:00 | 15:20

**FOOD - FLX HUB**

The new VEGATRONIC 6400 DZ  
for large Doy-Shark Zipper bags

15:00 | 15:20

**LABELING**

ZERO linerless Print & Apply solution

15:20 | 15:40

**FOOD - FLX HUB**

The new VEGATRONIC 6400 ML  
continuous motion  
VFFS vertical bagger

15:20 | 15:40

**E-COMMERCE**

E-CO FLEX LIDDING

The new multi-footprint case closer with  
right-size lidding for E-Fulfillment

16:00 | 16:20

**AI & ROBOTICS**  
THE LOOP

16:40 | 17:00

**FOOD - FLX HUB**

Turn-key packaging solution for confectionery products including robotics,  
flow wrapping, multi-head weighing, stand-up pouching and case packing

# Agenda

**8** | 13 **MAY** 2026

**10:00**  
**Exhibition Opening**

**10:30**  
**AI & ROBOTICS**  
THE LOOP

**11:20 | 12:40**

## **FOOD - FLX HUB**

Turn-key packaging solution for confectionery products including robotics, flow wrapping, multi-head weighing, stand-up pouching and case packing

**11:20 | 11:40**

## **COFFEE**

TTR EVO Roaster  
New Roaster with hot-air recirculation system and an eco-design approach maximising thermal efficiency and reducing energy consumption

**12:00 | 12:20**  
**AI & ROBOTICS**  
THE LOOP

**12:40 | 13:00**

## **FOOD - FLX HUB**
