

5TH OCTOBER, 2026

DIRECTIONS FOR ORAL SOLID DOSE DEVELOPMENT AND MANUFACTURING

A DAY OF INTERACTIVE LEARNING TO ADDRESS THE
NEEDS OF FORMULATORS
AND OPERATORS WORKING IN OSD DEVELOPMENT
AND MANUFACTURING.

Agenda

10:30 – 11:00 **Welcome coffee and registration**

11:00 – 11:15 **Opening speech**

11:15 – 12:45 **Short talk sessions**

Equipment and process

- Continuous coating: key parameters for consistent results
- Continuous Direct Compression: ensuring performance from feeding to tableting
- Scale-up: maintaining product quality across scales
- Troubleshooting in action: real cases and lessons learned
- AQUARIA: energy-efficient washing strategies

Formulation and dosage forms

- Nitrosamines: practical risk control from machine learning to nitrite testing
- Excipient supplier evaluation: a risk based qualification playbook
- Co-processed excipients: why "engineered" blends win in manufacturing
- Dry Powder Inhalers: excipient and particle engineering levers for performance

12:45 – 14:00 **Networking and finger food**

14:00 – 15:10 **Short talk sessions**

Digital platforms, services and data driven development

- From app to answer: ZoomLab®'s app store for formulators
- My BASF World: faster access to the right technical and regulatory content
- IMA SkillGate: turning process know-how into repeatable excellence
- Competence Center: services for innovation in pharmaceutical processes

Innovation and trends

- Waterless wet granulation
- Innovation radar: what's next in excipients and drug product design
- Sustainability and efficiency: energy-efficient systems and compact footprints

15:10 – 15:20 **Wrap up and goodbye**

LOCATION

BASF Auditorium

Via G. Marconato, 8 | Cesano Maderno (MB) | Italy

DATE

5th October, 2026

EXHIBITION

The BASF Auditorium will also host a retrospective to celebrate 20 years of collaboration between BASF and IMA Active. Also an area will be completely dedicated to IMA Active R&D machines with the opportunity to interact with IMA Active Competence Center experts.

REGISTRATIONS

The number of participants is restricted. We would request you to send your registration at QR code above. After we receive your application, your registration will be confirmed in writing.

TRANSPORT ARRANGEMENT

Please consider BASF Auditorium is: 35 km far from Milan Linate Airport; 40 km far from Milan Malpensa Airport; 26 km far from Fiera Milano.

PLANNING AND COSTS

When planning your travel arrangements, please also consider the proximity of CPHI Milan (6th - 8th October, 2026). The event participation is free of charge. Only travel, individual transports and accommodation expenses are at your own account.
